Description	Qty	Rate	Amount
Launch videos	3	\$400.00	\$1,200.00
Three launch videos built in the same house style as the Workspace369 launch video already delivered, each with a master formatted for Instagram and YouTube.			
Script writing		\$50 / video	
Full narrative script — opening hook, body and closing call-to-action.			
Voice over		\$50 / video	
Professional voiceover recorded, edited and mixed to each approved script.			
Footage research		\$150 / video	
Research, selection and licensing of all footage — no client clips required.			
Video editing		\$150 / video	
Full assembly, pacing, sound design, color and motion titles.			
Talking head edit — 8 minutes	8 min	\$30.00 / min	\$240.00
One video edited from your supplied talking head footage, priced on 8 minutes of footage.			
Edit & post			
Pacing, cuts, audio cleanup, color and titles.			
Stock footage			
B-roll and stock footage researched, licensed and cut in over the talk to support what is being said.			

Subtotal \$1,440.00

Notes & terms

Payment	Processed securely via Stripe. Due upon receipt.
Timeline	Work begins upon receipt of payment. First drafts delivered within 7–14 days, covering research, editing and revisions.
Launch videos	Three videos, each delivered as a master formatted for Instagram and YouTube. Script, voiceover and all footage are written, recorded and sourced by Mark Studios — no client clips required. Includes 3 revision rounds per video.
Talking head edit	One video edited from client-supplied talking head footage, with stock b-roll sourced by Mark Studios. Includes 3 revision rounds.
Footage	The talking head edit is priced on 8 minutes of supplied footage. Footage supplied beyond that is billed at \$30.00 per minute.
Additional work	Extra cuts, alternate aspect ratios, added runtime or further revision rounds are quoted separately.
Refunds	Refunds are not available once work has begun.

Thank you for your business.
